**How did you start your career?**
I started my career at Evaneos with a 6 months internship which soon turned into a permanent contract.

**Why did you choose a career at Evaneos?**
I choose Evaneos as it was matching my criterias of a company active internationally in the tourism field.

**What is your current role/duties?**
My job consists of researching, convincing and recruiting new partners across Europe, Asia-Pacific and Southern Africa and negotiating terms with them.

**In your opinion, what are the qualities necessary for a successful career at Evaneos?**
Being proactive, critical (and constructive!) and hardworking are well appreciated qualities.

**What are USI’s positive features and qualities?**
The small size of classes allows for high interaction, and hands-on project well prepare for real situations in the workplace.

**What competences and/or skills acquired in your USI Study Program have been useful/are useful to your professional career?**
The hands-on projects and courses we had at USI were crucial in developing a proactive attitude which is very useful in professional situations.

**What is your advice to USI students entering the job market?**
When starting with an internship, try to find a company where you can negotiate long-term opportunities. Once inside, you’ll be able to see from close how different job positions look like and make further moves in time.
